Dear Ms. Lee,

The Committee on Admissions and Grievances is in receipt of your communications of March 18 and 27. The Committee has determined to proceed with the April 14 hearing, as set forth in the Committee's March 17, 2025 Notice of Hearing attached here. At the hearing, you will have an opportunity to make a record concerning the issues raised in your communications below as well as the issues underlying the Second Circuit's July 23, 2024 referral order, which issues the Committee will address in its report and recommendation to the Second Circuit to the extent the Committee has the power to address those issues under Second Circuit Local Rule 46.2(b).

As stated in the Notice of Hearing, please inform the Committee by no later than April 7, 2025 of the names of any witnesses or attorneys representing you (and their assistants if any) who will attend the hearing. However, the hearing will proceed whether or not you retain counsel.
